## GROWS FINEST TOBACCO.

From Two Acres Sold Over \$400 Worth High-Grade Tobacco.

J. L. McLean, Mayland, was in town Saturday. Mr. McLean is blazing the way for this section to become one of the most important tobacco producing sections in the United States.

Last year he had two acres which he marketed in part with the Acres Warehouse, Danville, Va. Some of the tobacco brought him as high as 91 cents a pound. From the two acres he sold over \$400 worth of tobacco and the purchasers said his tobacco was the best they had handled in twenty years and they handle millions of pounds each year.

This year Mr. McLean has 15 acres of tobacco. He had planned to plant 25 acres but because of difficulty in securing help he was unable to get in more than 15 acres.

Many persons have often stated to the writer that in their opinion this section would produce very fine tobacco and at great profit, but Mr. McLean is the first to actually demonstrate what can be done.

## JAMES GORDON BENNETT DEAD.

## "I HAVE GIVEN MY DAY."

Every person who gives to the Red Cross as much as their salary for one day will be given a badge on which will be printed "I Have Given My Day." There is not a person in the county who cannot give that much at least. Will you be entitled to wear one of those badges when the campaign closes at the end of the week? If not you should be ashamed of the fact.

"A great net of mercy drawn through  
an ocean of unspeakable pain"

## "I'm afraid that's all I can spare"

You're a regular, red-blooded, true-blue American. You love your country. You love that flapping, snapping, old flag. Your heart thumps hard when the troops tramp by. You're *loyal*---100%!

You intend to---you *want* to---help win the war in a hurry.

"Sacrifice? Sure," you've been thinking. "Just you wait till they really need it." And you've honestly thought you *meant* that too.

But---look yourself in the eye, now, and search up and down inside of your heart---*did* you mean it? *Did* you really mean "sacrifice"?

Listen: You feel poor. This third Liberty Loan, the high prices, the Income Tax---you've *done* your bit. You feel that you've given all you can spare.

*What?* Then what *did* you mean? What's that you said about loving your country? What did you think the word "sacrifice" means?

Surely you didn't mean, did you, to give only what you can *spare*?

What about our boys who are giving their lives in the trenches? Are *they* giving only what they can "spare"?

How about those mothers and little "kiddies" in the shell-wrecked towns of that war-swept hell:---hungry---ragged---sobbing---alone? Giving up their homes, their husbands, their fathers.

While *we*---over here with our fun and our comforts---we hold up our heads and feel *patriotic* because we have given---*what?* Some loose bills off the top of our roll. "*We've* given all we can spare!"

Come, come! Let's quit fooling ourselves. Let us learn what "sacrifice" *means*. Let us give *more* than we can spare---let us "give till the heart says stop."

## MAY BE PAROLED

Ed. Metz, in Jail for Larceny, May Go to Maud Booth Hope Farm.

Saturday, Lieutenant Thos. Lloyd of the Maude Booth Hope Farm, Newbern, Tenn., was in town and accidentally learned of Ed. Metz being in jail here for 11 months and 29 days, having been convicted of grand larceny at a recent term of court. It seems that Metz stole a hog from some person near Creston and on having his trial was convicted.

The Maude Booth Hope Farm is a farm of some 200 or more acres near Newbern that is used for taking in charge paroled prisoners and by kind treatment and encouragement attempts to reclaim those who have gone astray by giving them a chance to leave behind them the unpleasant past and points to them a better way that leads to honest living and happy lives.

Lieutenant Lloyd arranged while here to take Metz to this farm and there help him to see the better side of life and make a new start. Before the man can be taken to the farm Gov. Rye will have to grant him a parole. Arrangements are now under way for the parole to be issued and it is probable that the man will be taken away within a short time.

This Maude Booth Hope Farm is an institution that is supported by Nashville people and other persons charitably inclined. Lieut. Lloyd stated that last year 70 per cent of those who received the benefits of the farm made good and started on the road to better lives. The work is a most worthy one and was assisted in a financial way by several Crossville people during the brief stay of Lieut. Lloyd, who seemed to be a man of much force of character and strongly Christian.

## RED CROSS MEETING.

There will be a Red Cross meeting at the court house tonight, Wednesday. No donations or subscriptions will be asked. This is intended as an information meeting and every citizen of our town should come out and hear what is said to the end that you may fully understand the importance of this great movement.

Rev H. E. Kelso, of Tazwell, Va., will address the meeting, also numerous others. Several out-of-town meetings are being arranged for and will be held Saturday night and Sunday afternoon.
